# SHARP

Be Original.

NEW!

AH-XP25YHF 2.5 HP

**Sharp Air Conditioner and Air Purifier with Plasmacluster Ion Technology are the best combination to deactivate airborne Viruses and Bacteria**

FP-J80EP-H 62 sq.m

**Best used with the recommended unit placement below:**

When installed directly under the air conditioner

Confirmation that a circulating airflow is created and that airborne droplets are collected by the air purifier

When installed on the opposite side from the air conditioner

The airflows of the air conditioner and the air purifier collide and become turbulent, and airborne droplets are diffused throughout the room
